Updated December 2023

Updating CA Disability Rates

SITUATION: It has come to our attention that the taxable wage limits for CADI have changed for 2024. Changes will need to be made in your local tax table to accommodate this change.

STEPS:

- 1) Click on **Maintenance / Local**.
- 2) Locate the **CADI** code in the **Upper Right Table**.
- 3) Click the **Read Only** at the bottom to place the form in Edit Mode.
- 4) As the Rate is the same as previous year, ensure the **Tax %** is **0.011**.
- 5) Exit all screens.

Note: These changes are based on no Taxable Wage Limit and a rate of 1.1%.
