

# Introducing the Haley Marketing Job Board

*Get More Qualified Candidates from Your Website!*

Posting jobs to your website has never been easier. Job seekers can quickly apply online and submit their resumes. This job board seamlessly integrates with your current website and your COATS software.

## Great Features:

- Search jobs by type, industry, location, or keyword
- Integration with YourCOATS for online applications
- Automated job alerts
- Integrated e-mail to promote featured jobs
- Referral management system

## Easy to Use:

- Post jobs directly from COATS
- Receive automatic notification of new job candidates
- Fully integrated for COATS software
- Matches the look of your website

**“The job board has helped us draw in additional candidates on an ongoing basis without having to advertise each specific position every week. On average, it saves us nearly \$6000 in classified advertising each month.”**

**“Haley’s Job Board is an easy way for employees to see our current positions and the job details.**

**Employees can find the right job opportunity and we don’t have to answer calls with position-specific questions – giving us more time to fill openings.**

**We sort through resumes and respond to the applicant in due time – no more answering individual e-mails.”**

*- J. Daniels, Rita Staffing*

## Social Media Recruiting Package

Fill job orders faster and spend less on job postings!

This optional service will automatically post your jobs to:

- Indeed
- Simply Hired
- Twitter
- Facebook

Plus, our Social Media Recruiting Package allows your candidates to save “Search Agents,” so they will be automatically notify whenever you post a position that matches their interests. You can also proactively email hot job opportunities to your candidates in order to ask for referrals.

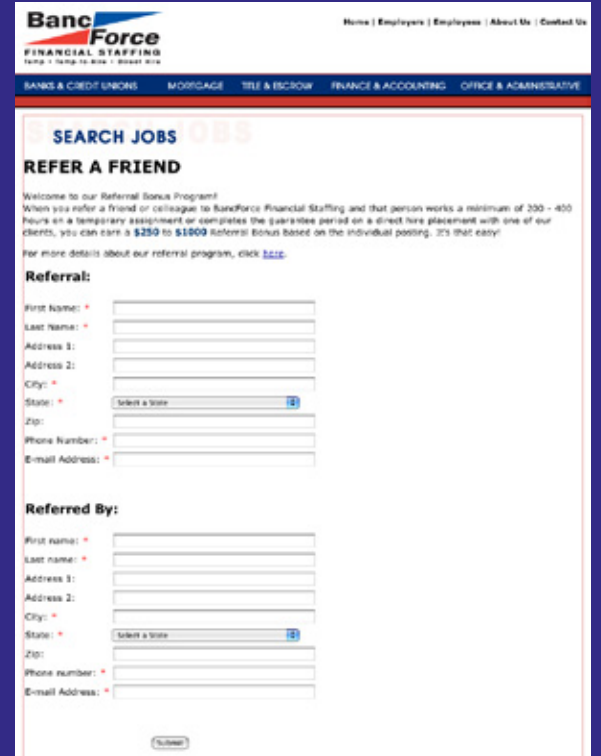

## Referral Management System

Get more candidate referrals!

Haley Marketing’s referral management system allows you to assign specific referral bonus amounts to each job on your job board, encourage candidates to refer their friends, and track every referral that was provided to ensure timely payment of bonuses.
